- 3. Decide on a score target (e.g., 20 points) or set a time limit (e.g., 30 minutes).**

Basic Rules

- 1. Choose Difficulty:** On your turn, pick an Easy (1 point), Moderate (2 points), or Hard (3 points) card.
- 2. Get Asked:** Another player draws the top card from that pile and reads the question aloud.
- 3. Answer:** You have 30 seconds to answer.
- 4. Scoring:**

Game Variations

1. Team Play

- Split into 2–3 teams.
- One team answers while the other team reads the question.
- Team members can discuss but must answer within 30 seconds.

2. Ladder Challenge

- Each correct answer moves you up to the next difficulty level.
- Wrong answer sends you back down a level.
- First player to answer a Hard question correctly wins.

3. Speed Round

- Players get 60 seconds to answer as many questions as possible from their chosen difficulty pile.
