Printing Directions

To get the best experience from your game:

- Full Size Option:

Print each page at full size (8.5" x 11") for large, easy-to-use visuals—perfect for group play.

- Compact Option:

Select "4 pages per sheet" in your printer settings to create a smaller, portable version.

- For Durability:

Print on cardstock or thicker paper.

For long-term use, we recommend laminating the cards.

- Prep Tip:
